Decree of the Minister of Mines and Energy
Regarding Applying for and Processing of Mining Rights
The Minister of Mines and Energy,

Considering:
That, within the framework of facilitating the granting of Mining Rights to prospective investors in the field of mining with due attention to the principle of internal control, it is deemed necessary to arrange the procedure for granting mining rights;

In view of:
1. Law no. 11 of 1967 (State Bulletin no. 22 of 1967, State Bulletin Supplement no. 2831);
2. Government Regulation no. 32 of 1969 (State Bulletin no. 60 of 1959, State Bulletin Supplement no. 2961), as amended by Government Regulation no. 79 of 1992 (State Bulletin no. 130, State Bulletin Supplement no. 3510);
3. Presidential Decree no. 96/M of 1993 dated 17 March 1993;

Has Decided:

To establish:

Firstly:

Secondly:
The Director General of General Mining, on behalf and in the name of the Minister of Mines and Energy grants the Mining Right of General Survey, the Mining Right of Exploration, the Mining Right of Exploitation, the Mining Right of Processing and Refining, the Mining Right of Transportation and Marketing and the extension of Mining Rights in accordance with the prevailing legislative rules.

Thirdly:
The Director General of General Mining establishes the necessary provisions on mining technical operations and the procedure of applying for Mining Rights.

Fourthly:
The Director General of General Mining is obliged to submit the results of the implementation of this Ministerial Decree in the form of an annual report on the granting/extension of Mining Rights.

Fifthly:
Applications for Mining Rights submitted prior to this Ministerial Decree’s becoming operative are processed according to this Ministerial Decree.

Sixthly:
This Ministerial Decree becomes effective on the date of its establishment.

Established in Jakarta on 26 February 1997

Minister of Mines and Energy,

(signed)
I.B. Sudjana
